

Naz Family,

The past few months have afforded us the opportunity to grow and develop as a community in ways we could have never imagined. We are proud to watch a congregation who kept their eyes fixed on the God we serve, and the hope we have in Him. Your faith and hope have been contagious!

Many of you may have realized that as we ended this year, because of the surge in Coronavirus we took many of our on-site ministries, online. Your staff and church board has been working hard to develop a safety plan to allow these ministries to safely return to the building! **We are excited to announce that we will be re-opening our on-site church ministries beginning January 1, 2021** - including age level ministries, Upward sports, groups, classes, and much more!

**UPON ENTERING
THE NAZ CHURCH**

  

You agree to **FOLLOW THE
SAFETY PROTOCOLS**
which we have set in place,
to keep you & your
family safe.

To your knowledge, you
**DON'T HAVE COVID-19 &
HAVE NOT BEEN EXPOSED** to
someone with COVID-19.

You also **DON'T HAVE ANY
COVID-19 like SYMPTOMS.**

You will notice signs when you enter, that show several safety protocols including: masks, physical distancing, hand sanitation, and personal health assessments. Each of our ministry areas will have additional protocols necessary to ensure that the environment is as safe as possible. Please be sure to look at communications from your different ministry areas, to find out what protocols are in place.

We have three goals for our church during this time:

**THANK YOU,
NAZ FAMILY!**

REMEMBER TO...

PROTECT YOURSELF

LOVE YOUR NEIGHBOR

**SERVE YOUR
COMMUNITY**

 **thenaz.church**

Protect Yourself – Please make sure to wear your mask and follow the safety protocols laid out by the CDC. If you are at risk, concerned or unable to attend due to numerous circumstances, we still want to be there for you and encourage you to connect via many of our virtual options and to worship together with us online!

Love Your Neighbor – We live out one of our core values: Surrender. *We give up things we love for people we love more!* Continue to think about others in the decisions that you carry on, on a daily basis.

Serve Our Community – During this time, people are hurting and in need of community. Continue to look for ways to reach out and serve others! Sometimes even the smallest gesture of good-will could make an eternal difference in someone's life!

Continued protocols include:

And so on **Sunday, January 3** – everyone, all individuals, families, and children – can return to in-person church! This includes all in-person Naz KDZ and Naz YTH happening during Sunday morning worship services.

Please remember to register and let us know you plan to attend! You can let us know you're coming to church at [THENAZ.CHURCH/CONNECT](https://thenaz.church/connect)! As always, messages, videos and lessons are available to you and your family on-demand - check out The Naz Church [YouTube page](#)! Please know that we continue to pray for you and your family's safety and protection during this time. We appreciate your willingness to adapt with us and move forward together, Naz Family!
