

# THE END OF THE WORLD (AS WE KNOW IT)

2 Chronicles 7:14 says, “if my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then I will hear from heaven, and I will forgive their sin and will heal their land.”

Around the world, Christians are being moved by the Holy Spirit to seek God through repentance for ourselves and our respective nations. There are movements here in the US that have chosen to unite the church through setting aside the things of this world through fasting, and being transformed into the image of God through prayer. Rooted in the 10 “Days of Awe” between the biblical Feasts of Trumpets and the Day of Atonement a time of longing for the return of Jesus Christ.

## **The End of the World, As We Know It**

During the month of September, weekend services at The Naz will focus on prophetic and apocalyptic books of the Old and New Testament to see how God’s Word speaks to the times we are living in today. This will be a collection of messages focused on seeking where God is working, and submitting to where God is calling us to be actively involved in the work He is doing in the world. Whether Christ returns quickly or not, this could be the end of the world as we know it. What if God’s people led our nations and our world toward repentance and a turn back to God and His ways. We know that this change will start with us. . . His church! It is for this reason we are calling our church to **10 days of prayer and fasting**.

**September 16** will be a special in-person and online prayer service at The Naz. This service will provide a time where we can gather together as a church family, as a prelude to our 10 days of prayer and fasting. We will have another evening of united prayer on **September 23**, and a special Saturday gathering for the simulcast of The Return prayer service that will be held on the National Mall in Washington D.C. Please contact Bill Bolin if you are planning on attending so that he can coordinate with other families from The Naz gathering together at the mall during this great event.

# PRAYER & FASTING

Below is the movement of prayer and repentance that we will be following. Take a moment to view each of these pages and begin to plan now on following along with us. The teaching team at The Naz will hold daily times of prayer and devotions using the guides from the resource pages below (See Schedule of Devotions on back of this page). It will be a great time of unity for our congregation as we seek the face of God together for ourselves, our community, our nation, and our world.

## THE RETURN September 18-28

### **MISSION: REVIVAL BY INDIVIDUAL, NATIONAL, AND GLOBAL REPENTANCE**

We need to make an honest inventory of personal as well as corporate (national) sin. In order to rectify them, we must acknowledge these sins, own them, and humble ourselves before the Lord. Pray that the Lord helps us, giving us the spiritual fortitude and grace to not only recognize spiritual deficiency but to be remorseful in spirit, pleading for His mercy and forgiveness.
