JULY DEVOTIONAL

All summer we are hanging out at the circus. And, all summer we'll learn about our Big God! And, because we serve and follow a big God, we'll learn how we can have BIG FAITH in our BIG GOD!

It takes time to build and grow our faith and that's what we'll be doing this summer...building and growing our faith! All throughout the Bible, there are stories about people who were put to the "faith test." That means their faith in God was tested and each was tested in a different way.

But what is faith and why is it important? Well, let's take a look at our verse for this month. It's found in Hebrews 11:1 and says, "Now faith is confidence in what we hope for and assurance about what we do not see."

What does the word, "CONFIDENCE" mean? One word used to describe confidence is, "TRUST." A big part of having faith is having trust.
What about the word, "HOPE?" What does the word hope mean? A phrase used to describe hope is, look "TO LOOK FORWARD TO."
What about the word "ASSURANCE?" What do you think the word "assurance" means? One word used to describe assurance is, belief.

The Bible verse is saying that faith is all about trusting, looking forward to, and believing in something we can't see.
