## WHAT'S NEW IN MAY

### New High School Series: My Story

It's that time of the year again and we CANNOT wait for this group favorite series: My Story! This is a mostly student led series where we get to hear from some of our upperclassmen and what God is doing in their lives! We are a storied people, and are a part of the continuing story of God and His people. We can't wait to hear from Liam Benson, Mariah Hough, Courtney Gastin, Jocelin Shoopman, and Elijah Litman this month. We hope you will join us in prayer as they prepare and in coming to Naz YTH to hear what are sure to be incredible messages from God's heart.

### New Middle School Series: Alpha

Middle school will be following the Alpha videos through April and May. This is also an amazing opportunity for you to reach out to people in your life who you have been praying for or who may need a safe space to ask questions about life, faith, and meaning. At Alpha, no question is off limits and everyone's perspective is just as important as the others in the room. Will you be bold enough to invite someone new?
